

Dear Sir or Madam

My previous work experience and leadership have achieved multiple awards. Please give me a chance to sell myself to have the honor and privilege to be the candidate for your company as an Industrial designer.

As an Australian citizen I am keen to work in your company as an industrial designer, I am enjoy working with interactive product design project as I am able to work both as an individual and as a team. I have worked in Taiwan and China from design studio through OEM companies for 14 years, with additional 3-4 years of Photography and Interior Design experience that involves problem solving and explore ideas to the client with a good communication skill, I have found these roles to be very exciting and enjoyable.

I have completed a degree in Bachelor of Industrial Design at Monash University, my greatest strengths are punctuality and ability to work in a team and cooperate with others, also I am able to work under pressure and still remain high standard of results. You will find me self-motivated, creative and dedicated to a job well done.

I would be delight to come for interview with my pro-folio at any time in the future, please contact me at the above e-mail or cell number if you believe I am able to meet your requirement for the position.

Your Faithfully
