

Vrova Smartbox 14 Bay Notebook & Tablet Charging Cabinet - Up to 14" Devices

Part Nos: SB-CT14BD

The Vrova Smartbox (SB-CT14BD) is a perfect solution for charging up to 14 tablets or notebooks (up to 14" size) at once. It is a fully secure solution with a 2-way locking front door. The innovative Cable and Adaptor management solution makes it easy for users to setup a neat and tangle-free storage environment.

A scalable and versatile solution with the ability to daisy chain and stack up to 2 x SB-CT14BD Smartboxes for storing and charging 28 tablets at once with use of smartbox charging accessory (to be purchased separately). The unit can also be wall mounted with the optional mounting brackets (to be purchased separately) and can also be converted into a trolley with the optional casters (to be purchased separately).

Compatible :  Apple  ANDROID  Microsoft

Warranty:

10 Years Cabinet and Tray

2 Years Electrical Components

Package Contents

- SB-CT14BD x 1
- User manual x 1
- C14(M) to C5(M) cables x 14
- Aus 3 Pin Power Cable x1

Smart, Safe & Easy to Use:

The trolley is safe for both users and devices with built in Over Current & Over Voltage protection. The 2 way locking makes it easy and safe to access the device while storing and retrieving. Unit features built in clips and power adapter slots for cable management to avoid cable tangles.

Mobile, Secure & Durable:

Securely store & CHARGE up to 14 tablet/notebook devices (up to 14" size) simultaneously though individual charging bays dedicated to each device.

Can be wall mounted with the optional mounting brackets (to be purchased separately) or can be converted into a trolley with the optional casters (to be purchased separately)

Ability to daisy chain and stack up to 2 x SB-CT14BD Smartboxes for storing and charging 28 tablets at once with use of smartbox charging accessory (to be purchased separately)
