Join ALOGIC

At ALOGIC people come first. Without question, the single greatest contributing factor to our nearly 30 years of success is our talented and ambitious staff. We've found that by creating an inspirational, supportive and enriching environment, we thrive.

Around here, it's not about fancy titles, strong political positioning skills, or a healthy list of names to drop. It's about results. We know what needs to be achieved, and we work together to get the job done. Each of us uses our individual knowledge, creativity and resources to come up with fresh ideas and new concepts we can truly own. With that independence comes a high degree of responsibility and accountability, but we always rise to the occasion.and excited to show the world that the best is yet to come.

Job Listings

| Job Title | Deparment | Location | Type | Date Posted | Application |
|------------------|--------------------|---------------------------|-----------|-------------|---------------------------|
| Supplies Manager | Sales and Supplies | Dandenong South, VIC, AUS | Full Time | 25/07/2016 | Apply Now |

Jobs Description: Supplies Manager

ALOGIC is currently looking for a Supply Chain Coordinator to join our Supply Assurance team at our Corporate Office in London, Ontario.

Reporting to the Manager, Vendor Management, the Supply Chain Coordinator makes an impact by assisting in increasing the efficiency and focus of the entire Supply Chain department, including the Senior Category Manager, Vendor Management Specialists and Buyers. This position offers a competitive salary, bonus potential, and benefit package.

What You Will Gain

Hands-on responsibility for the creation and validation of Supply Chain reports
Accountability for a wide scope of functions including but not limited to: Sample Product Ordering, Vendor Database Management, electronic file maintenance, Vendor decks for Quarterly Business Reviews, and Trade Show logistics and planning
A chance to use your superior communication skills while working with cross-functional teams

What You Can Show Us

Demonstrated experience in a supply chain function (1-2 years) that will illustrate your understanding of flow of goods
Post-Secondary education (Supply Chain, Business, ACS, or Purchasing preferred)
Above average Excel skills
An ability to manage multiple projects by using your superior organizational skills
Previous experience with Data Analysis and Contract Administration (an asset)

Job Application for: Supplies Manager

Name

Email

Phone

Mobile

Cover Letter

(Please send in either .doc or .pdf files.)

Resume

(Please send in either .doc or .pdf files.)

Submit

The apply now buttons goes to a generic job application form, where there will be fields for Name, Email, Phone and Mobile.

The text field for the cover letter would have a fixed size, and if the text goes over the size it will show a scroll bar to reveal more space. It will be a basic text editor.

You can attach your file to the resume section.

The submit button will submit the form.
