

Wireless Charger

Wireless Duet Charging Station iPhone & Apple Watch Charger

Part no. QC10AWNQH

Charges Apple Watch

Aluminium Unibody

Small & Portable

Smart Cable Management

An ingenious cable management system where the cable is contained neatly under the charger and covered up by the magnetic cover.

Powered by USB-C

The Charging Station is powered by a single universal USB-C cable*.

* The USB-C cable must be connected to a quick charge enabled USB charger for best performance

The Perfect Companion

The Duet Charging Station is especially designed for your Apple iPhone and Apple Watch. *

Safe & Secure – Qi Certified

The Charging Station is Qi certified to meet and exceed all the industry standards. **

* The Wireless Charger is optimised for iPhones with power output of 7.5W. The socket for Apple Watch charging cable is designed for the original Apple Watch charging cable.***

** Only compatible with iPhone models with wireless charging

*** Does not come with Apple Watch charging cable.
