Warranty	1 Year
Packaging	VELUC4A36 x 1 Power Adapter x 1 User's Manual x 1

Ultra-Powerful:

- The VROVA Elite charger is a powerhouse and outputs 36W of power from its 4 ports for charging multiple devices at once.

Smart Charge technology:

- VROVA's Smart Charge Technology allows the charger to detect the maximum power your device needs and limits the current to a maximum of 2.4A per port to keep the device safe and charge at the fastest possible rate.

Elegant Design:

- The VROVA 4 Port USB Charger has a small footprint housed in an Aluminium enclosure. The charger comes included with a velcro strip to fix it in place and facilitate one-handed plugging and unplugging.
- It features horizontally positioned ports with a slight angle for ergonomic use. All USB ports are sufficiently spaced making the charger suitable for many different types of accessories.
