To whomever it may concern,

I am writing in response to your advertisement for an Industrial Designer in Dandenong South, Melbourne

My extensive background in design, along with my industry experience, makes me an excellent candidate for this position. As you will see from the enclosed resume, I have 5 years of experience in the field of product design, development and implementation. My resume shows that I am committed and have been consistently rewarded for hard work, with promotions and increased responsibilities throughout my career. Working my way up from a graduate designer engineer to becoming an essential component in a design team and being trusted with designing components for high investment projects. The increased responsibilities and career progression is a direct byproduct of my constant willingness to learn and put myself in new challenging situations, to continue my personal and professional development.

I would bring to your company a broad range of skills, including:

- **5 years experience designing components and products for the lighting industry**
- **5 years industry experience using SolidWorks, holding a SolidWorks Associate certification**
- **5 years industry experience of creating drawings for manufacturing**
- **5 years experience dealing with overseas suppliers**
- **Strong written and verbal communication skills**
- **Proven ability to work independently or part of a team, with strong organisational skills**
- **Proven ability to juggle multiple projects and organize own work load**

I would welcome the opportunity to further discuss this position with you. If you have questions or would like to schedule an interview, please contact me by phone at +61 423 749 856 or by e-mail at nathaneastelldesign@gmail.com I have enclosed my resume for your review, and I look forward to hearing from you.

Sincerely,

Nathan Eastell
