

ALOGIC 4 OUTLET POWER BOARD

with Individual Switches & 4 USB Ports (4.5A) - Surge & Overload Protected - VROVA Series

Part No.	VPB4P4A18
User Interface	Outputs: 4 AC Outlets with Individual Switches (10A), 4 USB Charging Ports (4.5A) Inputs: 3 Pin Australian Plug 10A
LED Indicators	Power Indicator : Green Surge Protection: Green
Protections	Surge Protection/ Overload Protections / Charging Protection
Operation	Individual Switch
Physical Characteristics	Dimensions: 336.27 x 76.27 x 33.36 (mm) Shipping Dimensions: 410 x 140 x 40 (mm) Unit Weight: 500gms Shipping Weight: 565 gms Colour: White
Warranty	1 Year

Surge & Overload Protection:

- Protects your electronic devices connected to the AC outlets or the USB ports from dangerous power surges, spikes, lightning strikes, and AC contamination.
- Suitable for your laptops, computers, TV, phones and other electronics

Fast USB Charging with 4 USB Ports:

- 4 surge protected USB ports to charge all your USB devices.
- Eliminates the need to connect separate USB AC adapters
- Total output of 4.5A current

Protection Up to 525 Joules:

- Rated to handle up to 525 joules

AC outlets with Individual Switches

- Each AC outlet has an individual switch for independent control
