Compatibility

Charge, Sync & Power

The ALOGIC Super Ultra range is crafted from superior materials and specially designed to guarantee a longer lifespan. The cable core is strengthened with synthetic fibre and reinforced with flexible nylon double braiding to provide maximum protection against all types of wear and tear.

Super Ultra Rugged Construction

The cable allows you to charge all your USB-C devices. It can output up to 5A current to charge your phone, tablet, laptop or any other accessory. It will also support up to 480Mbps data transfer rates to sync your photos, videos, music and files.
